the exhibition analyses the process through which devotion to the immaculate conception was created and popularised in early modern Spain while the immaculate conception only became dogma in 1854 as early as 1616 the Spanish monarchy became a staunch supporter of the theory turning its defence into a national priority in the following years the immaculate conception became Spain's most heartfelt devotion and a sign of national identity art played an important role in this process amounting to what we may describe as a marketing campaign this will be the focus of the Museo de Bellas Artes forthcoming exhibition featuring more than 50 paintings sculptures prints and books borrowed from notable Spanish museums and churches such as the Museo Nacional de Escultura de Valladolid the Cathedral of Seville the Biblioteca Nacional de España and many others

a la vez brutal y religiosa simbolista y romántica poética y realista la anunciación a María es probablemente la obra más emblemática y popular de su autor Claudel trabajó sobre ella durante más de veinte años despojándola de toda retórica y convirtiéndola en una pieza fraguada lenta y detalladamente en la que todo signo reenvía más allá de la palabra misma violaine la chica hermosa y feliz pierre de Craon el genio constructor y doliente Anne Vercors el padre sabio y lejano estos y otros personajes se graban en la memoria del lector en una obra llena de fuerza y poesía un drama a la vez humano y sobrehumano que en palabras del autor es representación de todas las pasiones humanas integradas en el plano católico en un tiempo acostumbrado a amores con raíces mucho menos profundas esta obra es fundamentalmente la invitación a un camino cuya extensión temporal no puede ser menos que la de toda la vida del prólogo de Alicia Saliva

the introduction of the virgin Mary to the native peoples of Mexico is often closely associated with our lady of Guadalupe the

principal mexican marian devotion historical evidence indicates that the mexican shrine was not established until the 1560s the legend was virtually unknown until its initial publication in spanish in 1648 and in nahuatl the following year and native people did not participate in the devotion to any extensive degree until after the mid seventeenth century how then was devotion to the virgin actually introduced to nahuas during the first decades of christian evangelization this book addresses this question through the presentation of nahuatl language devotional texts relating to mary texts through which nahuas learned about the virgin and expressed their own developing devotion to her the wide range of nahuatl literature on the virgin shows that nahuas were introduced to and to varying degrees participated in the full blown medieval and renaissance devotion to mary adapted into their own language native scholars participated in the composition of much of this material nahuatl text and english translation are presented in parallel columns each text is preceded by introductory commentary that explicates the european background of the material and its new meanings and uses in the mexican context
